

Democratic and Silver Party Nominees and Platform

Following are the nominees and the platform adopted by the Democratic and Silver parties in convention Sept. 25. The nominees are the best men in the county for their respective places they seek and the platform reiterates the fact that only in the democratic party can officers be found that will serve honestly and justly when elected.

It is recommended to the serious consideration of the voters of Ormsby that the belief that they will repudiate previous arguments of the opposition to induce them to forsake their best interests and vote for other than the nominees mentioned hereunder.

THE PLATFORM

The following platform was adopted by both conventions and is now the story in concise language. After the usual preamble, reporting the action of the committee the platform reads as follows:

1. That this convention endorse that peerless statesman and champion of the Common People, William Jennings Bryan, as the presidential nominee of the National Democratic convention in 1908.

2. That we endorse the conservative and economical administration of the present board of Fusion county Commissioners, who curtailed the wasteful extravagance of the previous republicans which resulted in raising a county of Ormsby on a business basis during the past two years. We praise the good work of the party in a campaign to the completion of which will be for the best interests of the county and we commend the two years of their work and the financial affairs which in such a good business manner they were able to conduct.

3. That we endorse the nomination of the Democratic Silver cause for United States Senator in 1908.

4. That we commend the people of the county to the continued appreciation in the price of silver, holding that this fact shelters the contention of those farmers to the state who held that the white metal would soon become as plentiful as to render it valueless as money.

That the advance in price has added the miners of Nevada to re-open many properties which were closed during the time when the republicans hammered down the price of the chief product of the state and closed the United States Mine in this city as a sacrifice to party fealty at the expense of state progress and we ask them, in view of the present flourishing condition of the state, if they would not be willing to share in the prosperity which would come to the Commonwealth of Nevada if silver were again restored to its rightful place as a money metal.

5. That we hold all property, whether owned by the rich or poor is quite before the law for the purposes of taxation and should be treated accordingly.

6. That we heartily endorse the able state administration of the Fusion party during the past four years and pledge ourselves to support the regular nominees of the Fusion Convention held in Reno, August 29th, and also the regular nominees of this convention, as unity and harmony can alone point the way to victory in November.

The State Board of Capitol Commissioners will receive bids up to 12 o'clock noon, September 28, 1906, for delivery to the State, 100 cords of yellow pine wood, on or before the 20th day of October, 1906; 75 cords split and 25 cords limb. The same to be corded and piled in the basement of the capitol building.

Address bids, marked on wood, sealed to W. R. Davis, Clerk of Board of Capitol Commissioners, Carson City, Nevada.

The Board reserves the right to reject any and all bids.

W. R. DAVIS.
